

# Maximize growth potential with shipping software that's a true extension of your Acumatica ERP

Get the highest possible ROI on your Acumatica investment with the only multi-carrier shipping software integration Fulfilled by Acumatica. From basic rate shopping, to more complex pack-and-ship workflows, to advanced EDI integrations, no shipping software helps you extract more value from your ERP than Pacejet.

## What does Fulfilled by Acumatica mean for you?

**Native integration**, built and maintained by Acumatica, with no reliance on 3<sup>rd</sup> party builds

**Operational flexibility** to manage shipments within Acumatica or Pacejet interfaces

**Guaranteed compatibility** with an integration always updated to support the latest versions of the software

**Partnership** with two of the most trusted names in multi-carrier shipping and ERP solutions

## The power of Pacejet shipping within Acumatica

**Accelerated distribution** with automated rating, shipping, and printing (labels & BOL)

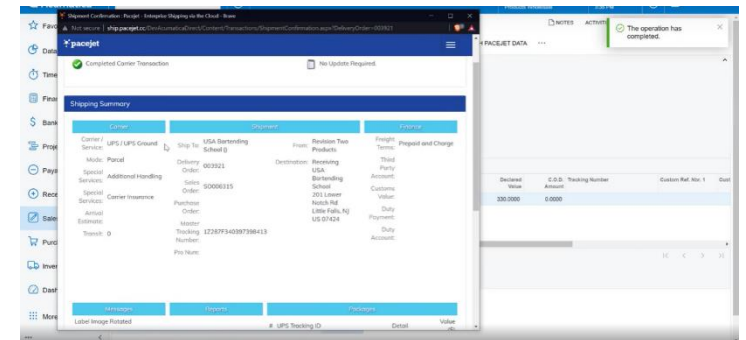

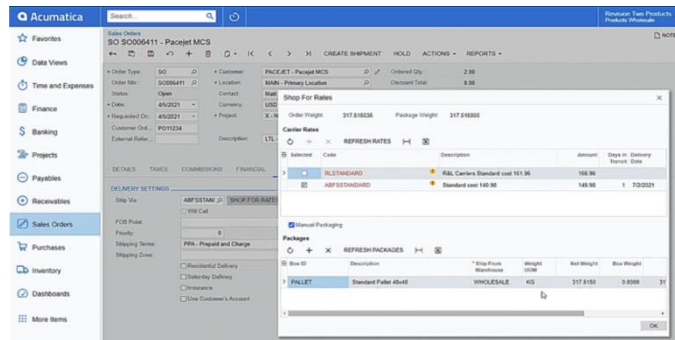

**Largest carrier network** with more parcel, LTL, and 3PL options than any other shipping software

**Unmatched order accuracy** with tools for efficient scan-packing, order verification, package data capture, and compliance labeling

**Higher output** without added headcount, thanks to automation of many pack-and-ship functions

## Maximize growth potential

- **Increase fulfillment capacity** by decreasing processing time & complexity
- **Omnichannel expansion** through e-commerce platform & EDI connections
- **Earn repeat business** with a near-zero error rate and up to 20% reduction in shipping costs
- **Automate compliance** with trading partner requirements and government regulations
